

Why Wingate

Founded by the Schuster family over 25 years ago, Wingate Healthcare is the Hudson Valley's premier provider of healthcare and hospitality for seniors, delivering exceptional services for residents in need of short-term and long-term care, respite and rehabilitation. Wingate Healthcare has established a reputation for excellence and is the provider of choice in the communities that we serve.

Wingate at Beacon is a 160-bed skilled nursing facility. Our knowledgeable and compassionate

staff provides specialized short-term rehab and long-term care customized to fit each individual's needs.

Our spacious, bright common areas and beautifully landscaped courtyards are the perfect environment for residents to enjoy during their stay and with their families. Proudly serving the community for 20 years, Wingate at Beacon delivers quality, patient-centered care you can trust.

Located just three miles from I-84, Wingate at Beacon is conveniently located in the heart of the Hudson Valley close to the area's most prominent hospitals and accessible to public transportation.

Wingate Healthcare operates skilled nursing care centers and senior living communities throughout Massachusetts, New York, and Rhode Island.
